Our customers have come to expect exceptional music production, inventive sound creation and brilliant execution.

From Breaking Bands to Breaking The Mold...

It's all about the hook.

# So Cool, It's Hot. So Hot, It's Cool.

Where do our customers come from?

## LIFESTYLE MUSIC FROM RED

We've got a thing for sweat

### What do they want?

Whether we are building original music with a cutting edge act or composing a traditional jingle, they want music so hot it's cool. Cool sounding. Cool feeling. Cool to listen to.

With hip, relevant style. Punchy, effective and titilating. Evocative, punctuated, rythmic and emphatic. Sounds that blow people away and leave people singing along. We put a lot of sweat equity into every production. That is how we deliver music that is always

**RED HOT... everytime!**
